

Element Name:

Kumbapur: *Kumbapur* is an opening usually found in the ceiling of *Jestak Han* (Kalasha temples) and few *Dur* (Kalasha Houses). It acts as a skylight and ventilator for the space.

Community (ies) Concerned:

The element holds special significance for the wider Kalasha community residing in the three Kalasha valleys i.e. Bumburet, Rumbur and Birir. Other than Kalasha community , the element with the name of Baybas (word of Khawar language) is also being employed by local Muslim community.
